

IP Video Network Baseline Simulation

Test Network Readiness with our *new* IP Video Simulation!

- **On-Time IP Video Implementations**
- **Improve First-Time Installation Success**
- **Reduce Project Overruns**
- **Reduce Post-Production Troubleshooting**
- **Maximize Customer Satisfaction**
- **Good Press vs. Bad Press**

Report Includes

- **Test Simulation Patterns**
- **Delay, Jitter and Network Loss Graphs**
- **Network Availability Graphs**
- **Pass, Acceptable or Fail Test Score**

Optional Services

Additional engineering services are available for system design, network consultation, planning and remediation. Call your rep for details.
